NOTICE TO LAUNCHER FOR 2024
AL'S HARBOR
HARBOR ACRES, LLC
9115 W. Long Beach Road
Oak Harbor, OH 43449

We have set forth the following regulations for the 2024 launching season:

A blue decal will be issued to you for one vehicle only. It must be mounted on your windshield in a conspicuous position. If your windshield is dark on top please do not mount your decal in that area. If you make a change in the vehicle trailering your boat, the old decal must be removed and the pieces returned before a new decal will be issued. The decal, and therefore your right to launch at Al's Harbor, will cost \$80. A decal will not be issued for a motorhome.

The license number of your car/truck must be submitted for our records before the decal can be issued. If new plates are purchased during the boating season, it is your responsibility to inform us of the change.

Please park in the grass area across from the launching ramp. Keep the launching path clear for others. Go slow when leaving the ramp and going in or out of the creek. Please observe the **NO WAKE** laws at all times.

There will be NO camping or staying overnight in the area.

No fishing from the docks, jetty or banks is permitted.

Pets must be on a leash.

Docks are for the use of dock customers only. Your boat cannot be tied to any of the floating docks.

Practice courtesy. We will not tolerate uncontrolled tempers or abusive language.

The undersigned has read the above regulations and agrees to abide by all the rules and regulations so set forth by Al's Harbor, Harbor Acres, LLC.
